ABOUT BUȘTENI

Bușteni is a small mountain town in the Prahova Valley, at the base of Bucegi Mountains. It is one of the most popular mountain resorts, offering spectacular views, with lots of year-round tourism opportunities, ranging from skiing to mountain climbing. Bușteni's average altitude is 900 m (above the sea level) and its skiing area is on 1300m above the sea level. It is situated at 135km from Romania's capital, Bucharest.

It is surrounded by the Bucegi Mountains, which are part of the Meridional Carpathians. A large commemorative monument (about 25 m high), Heroes' Cross (Crucea Eroilor) lies atop nearby Caraiman Peak, at nearly 2,260 m. The monument is lighted at night and is visible from virtually everywhere in Bușteni. It is situated near Sinaia, where you can visit the Peleş Castle (more info in chapter V: Free Time).
